COOKIES POLICY

Reading this policy is important because by continuing to browse our website you agree to the use of cookies in your browser and devices used, unless you have disabled them.

What are Cookies?

Cookies are small software labels that are stored on your computer or other devices that you use to access the internet through your browser.
You can know more accessing: allaboutcookies.org.

Which is the purpose of Cookies?

The use of cookies aims to improve the browsing experience of the user, increasing the speed and efficiency of response of the websites. It eliminates the need to repeatedly enter the same information and helps determine utility, interest and number of uses. Each cookie has a function and an expiration date.
The Flamingo Sociedade Hoteleira, SA will not use, without prior consent, data stored in cookies in cases where this is required.

Which Cookies are used on the website?

This site uses proprietary and third-party cookies. Third party cookies differ from the first ones as they are sent to the user's device, from an equipment or domain, which is not under the direct control or management of the Flamingo Sociedade Hoteleira, SA.

Cookies can be classified as follows:

Essential Cookies - Key to access specific areas of the website. They allow you to navigate the website and to use the applications, such as access to secure areas through login. These Cookies do not collect user information that may be used for marketing purposes or to identify user visits to websites. Without them, certain services can not be provided.

Analytical Cookies – Allows you to analyze how users use the website, allowing you to highlight articles or services that may be of interest to you, to monitor their performance, knowing which pages are most popular. These cookies are only used for statistical analysis and creation purposes.

Functional Cookies – Allows you to remember your preferences for browsing the site. Thus, the user does not need to reconfigure and customize it each time he

1

visits.

Publicity Cookies – Allows to target advertising according to the interests and habits of use of each user inside and outside our website. These cookies are used to support the conduct of more targeted marketing and communication actions, also help to measure the effectiveness of advertising.

According to their validity, the cookies used may still be:

Permanent Cookies – They are stored at the browser level and on their access devices (ex.: computer, mobile and tablet) and are used whenever the user visits the website again. In general, they are used to direct navigation according to the interests of the user, allowing the Flamingo Sociedade Hoteleira, SA to provide more personalized service.

Session Cookies – They are generated and available until the end of the session. The next time the user accesses their browser, cookies are no longer stored. The information obtained allows you to manage sessions, identify problems and provide a better browsing experience.

The Flamingo Sociedade Hoteleira, SA uses the following cookies:
